From the chairman,

Sangalur Trust board

No. ...g 8-9[illegible] / 48 - 49 & 12-8-48.

Furnishes the information called for

17/ submitted with a note on the matter -

The chairman, C D T board, Sangalur, has submitted revised estimates for the following two works, as against the original estimates for the amount noted against each. -

Items of work	cost of the revised estimate Rs	cost of the original estimate Rs
1) Laying street sewers in Chamarajpet area	99,947	87,025.
2) Laying the sub-main from Mysore Road circle to the existing man-hole No 31 at Chamarajpet main	23,593 ~~11,565~~	14,525

18) The chief Engineer for Roads and buildings has scrutinised ~~the~~ and corrected them as follows — (Vide para 15 supra)

1) the estimate for Rs 99, 947/- has been corrected to Rs 99, 968/-

and 2) the estimate for Rs 23, 593/- has been corrected to Rs 23, 290/-

19) In total, an extra sum of Rs 21, 708/- is involved on account of the revision of both the above said estimates

20) The extra cost is proposed to be met out of the general savings in the comprehensive estimate ~~for Rs 1~~, sanctioned in GO 91-11-61

21) In the above circumstances, the revised estimates — one for Rs 23, 290 for laying the sub-main from Nyapa Road cycle to the existing man-hole No 31 at chainage parapet and the other for Rs 99, 968/- for laying

8) Revised estimate for laying sewers in
6407 / 1397/ht Channagiri area, Bangalore, etc.

Street sewers in Channagiri area,
as sanctioned by the Chief Engineer
for Roads and Buildings, may
be sanctioned

22) The revised estimate for Rs 99,947/- is
the actual cost of the work as executed
23/8 and it is not clear why the scrutiny
the Chief Engineer has enhanced it
to Rs 99,968/-
Pr 24 8 67

23) In view of the instructions
received from the Govt Engg, a

To The Chairman
C.I.T. Board
Bangalore

Sir,

I am directed to state, that the estimate in question have been scrutinised and corrected as shown and calls for further report in the matter.

Sec'y
1/9/67

From the, Chairman, Bangalore Tal-
wad —

No J 185 /48-49 & 21-9-48

Furnishes the information called for

25) submitted with reference to
para 23 supra the chairman
says that the estimates for the
works in question may be sanctioned,
retaining the rates as submitted
by him, except for item 22 (Est No 2)
"cement concrete with broken Jelly
(1 4 8)" for which the rate
recommended by the chief Engineer
for R+B may be passed it is
not clear as to which of the two
estimates, the chairman refers
to as regards the change of rates

26) It is submitted that as seen
from the letter dt* 22-12-47 of
the chairman, the revised
estimates for Rs 23, 593/- and
for Rs 99, 943 for 1) laying sub-main
from Mysore Road circle to
Manhole No 31 at channagiet

fly y)

and (2) laying sheet sewers in chowrangi/st areas, respectively have been prepared, as per actual execution

27) But the chief Engineer (P) R&B has sanctioned these two estimates and in the case of the estimate for Rs 23,593/-, he has reduced the same to Rs 23,290/-, the other estimate for Rs 99,947/- has been corrected to Rs 99,968/- In the former case, the estimate has been reduced by Rs 303 and in the latter case, the estimate has been enhanced by Rs 21/- and the total enhancement would be only 182/- only

28) Having regard to the large sums involved in both these estimates, the difference as shown above is perhaps negligible

29) A / Hence, both the estimates as submitted by the chairman may perhaps be sanctioned

write to Rs from

Lapsing Sheet sewers in Chamrajpet etc

1397 J 2406/ad

(11)

A/ in view of the fact that the same have been prepared as per actual execution. The total amount comes upto Rs 1 2 3 5 4 0/- according to the revised estimate

30) The proposal at 'A' is submitted for approval or other orders

Sd 21/10 Rs 23 lakhs

31) The proposal at A may be approved, with financial Concurrence

32) Since there are works executed in accordance with the programme of Completion scheme of drainage works sanctioned in the G.O. dated 1 11-41, there does not appear to be any necessity to treat it as council matter

Revised for 24/10/48

33 In the light of circumstances mentioned in the Chairman's letter dt 22-12-47, the revised estimates for Rs 23,593/- & Rs 99,947/- may be sanctioned as indicated in paras 27 to 29 supra

GOVERNMENT OF MYSORE

SUBJECT - Revised estimate for Rs 23,593/- and Rs 99,947/- for (1) Laying sub-main from Mysore Road Circle to the existing man-hole No 31 at Chamarajapet Main and (2) Laying street sewers in Chamarajapet area respectively

I have the honour to state that two estimates, one for Rs 14,525/- for laying the sub-main from Mysore Road Circle to the existing man-hole No 31 at Chamarajapet Main and the other for Rs 87,025/- for laying street sewers in Chamarajapet area were included in the Comprehensive Scheme of Drainage works sanctioned in G O No.L 3422-26/41 90-41-4 dated the 1st November 1941 It is reported that the works were started after calling for tenders in March 1944 and that the sub-main was completed and that the laying street sewers are nearing completion

In hand
By
16/12/47

As per actual execution, the work relating to the laying of sub-main from Mysore Road Circle to the existing man-hole No 31 at Chamarajpet main has cost Rs 23,593/- and the cost for laying street sewers in Chamarajpet area has amounted to Rs 99,947/- Revised estimates as per actual execution of works have been prepared together with a Comparative statement showing the excess and savings with reasons therefor and they are forwarded herewith The report accompanying the revised estimate explains in detail, the reasons for excess over the original sanctioned estimates This was placed before the Board at its meeting held on 26-11-47 when it was resolved

"THAT the revised estimates for Rs 23,592/- and Rs 99,947/- be approved and sent to Government for sanction"

23,593/-

I accordingly request that sanction of Government may kindly be obtained to the revised estimates referred to above as resolved by the Board

I have the honour to be,
S i r,
Your most obedient servant,

C V Narasimha Das
CHAIRMAN

gvm/-

Report accompanying the revised estimates for laying sub main from Mysore Road Circle to the existing M H No 31 on Chamarajendrapet Main and laying street sewers in the Chamarâjendrapet Area

---

Two estimates, one of Rs 14,525/- for laying sub main and the other for Rs 87,025/- for laying street sewers were sanctioned along with the Comprehensive Scheme

The works were started, after calling for tenders in March 1944

The Sub Main has been completed and the laying of street sewers are naring completion

A revised estimate, together with a comparative statement showing the excess and savings, with reasons thereof is herewith submitted for sanction of Government

1) Sub Main of Chamarajendrapet Area

The nett excess under this work is Rs 7,178/- which is mostly due to the following reasons -

(i) The tender rates being higher than the estimated rates for earth work, excavation and Blasting hard rock etc

(ii) Since Mysore pipes had to be used in place of Jubbalpur pipes owing to the difficulty in getting Jubbulpore pipes for which the Contractor had tendered enhanced rates, equal to the difference in cost of the pipes had to be paid to the Contractors This has been approved by the Government

The excess under other items of work, if any, is not appreciable and is generally due to higher rates tendered by the Contractors

The excess is proposed to be met under the General Savings in the estimate of the western portion of Basavanagudi

2) Street sewers of Chamarajendrapet area

The excess is mostly due to higher rates tendered by the Contractor

Further, a large quantity of rock was met with during execution and this had to be removed for laying the pipe line The excess under this item is Rs 3,990/- and there was no provision for this item of work in the sanctioned estimate

The excess under pipe line is due to the difference in the cost between Jubbulpore pipes and Mysore pipes

As Jubbulpore pipes could not be had for reasons already stated above, Mysore pipes had to be used

The excess over the sanctioned estimate is proposed to be met out of the general savings in the estimate for providing street sewers in the Western portion of Basavanagudi.
